

Position: Construction Superintendent
Location: Petersburg, ON
Salary Range: Commensurate with qualifications and previous work experience

Overview

Vigor Clean Tech (VCT) is a developer of renewable energy systems that help people meet their investment goals while making a positive environmental impact. Over the past ten years we have originated a portfolio of over 200 solar PV systems under our direct management ranging in size from 4kW to 650kW. These systems include a number of different types of rooftop systems and ground mounted dual axis tracking technologies. In partnership with our customers, we have produced over 34 million kWh of clean electrical energy, reducing carbon emissions by 1,700 tonnes.

VCT is seeking a motivated, hands-on individual to lead our installation crew. The candidate must have construction/mechanical experience and possess exceptional on-the-job problem solving skills.

Specific responsibilities include:

- Maintain a safe job site and ensure that the requirements of the Occupational Health and Safety Act are enforced
- Supervision, inspection and coordination of work performed by the installation crew while working alongside them
- Enforce exemplary construction practices and ensure a quality end product
- Control and monitor labour, material and equipment
- Coordinate with the project manager and provide regular progress updates

Qualifications:

- 5+ years supervisory experience in construction industry. Preference given to experience with Solar PV installations.
- Education related to construction or civil engineering technology or equivalent work experience. Licensed trade (e.g. millwright, 309A electrician, etc.) is preferable.
- Demonstrated attention to detail, customer care and quality of work
- Thorough knowledge of the Ontario Health and Safety Act and Ontario Building Code
- Excellent verbal and written communication skills
- Current Driver's License and clean Drivers abstract
- Forklift, First Aid/CPR and Working at Heights Certification an asset; training to be provided by VCT if necessary

Interested candidates should forward their resume and cover letter to hr@vigorcleantech.com or fax to 519-279-4631. We would like to thank all candidates for their interest; however, only those potentially suitable for the position will be contacted. Please refer to the job position for which you are applying in the subject line of all correspondence.
