

Position: Field Installation & Maintenance Technician
Location: Petersburg, ON
Salary Range: Commensurate with qualifications and previous work experience

Overview

Vigor Clean Tech (VCT) is a developer of renewable energy systems that help people meet their investment goals while making a positive environmental impact. Over the past ten years we have originated a portfolio of over 200 solar photovoltaic ("PV") systems under our direct management ranging in size from 4kW to 650kW. These systems include a number of different types of rooftop systems and ground mounted dual axis tracking technologies. In partnership with our customers, we have produced over 34 million kWh of clean electrical energy, reducing carbon emissions by 1,700 tonnes.

VCT is seeking a motivated, hands-on individual to join our installation crew, working out of our Waterloo Region office under the Construction Superintendent. The candidate will preferably have construction/mechanical experience and possess exceptional on-the-job problem solving skills. The available position is for a four to eight month contract.

Specific responsibilities include:

- Mechanical installation of solar PV systems, EV chargers, battery storage systems
- Electrical wiring rough-in
- Installation, commissioning and configuration of electronics control and monitoring systems
- Hands-on service, repair and maintenance field work
- Diagnose failed electronics components
- Uphold VCT's standards of quality and professionalism

Qualifications:

- Experience in construction industry. Preference given to experience with Solar PV installations.
- Minimum high-school diploma with preference given to post-secondary education related to construction or civil engineering technology or equivalent work experience
- Demonstrated attention to detail, customer care and quality of work
- Excellent teamwork and communication skills
- Current G class Driver's License and clean Drivers abstract
- Forklift, First Aid/CPR and Working at Heights Certification an asset; training to be provided by VCT if necessary

Interested candidates should forward their resume and cover letter to hr@vigorcleantech.com or fax to 519-279-4631. We would like to thank all candidates for their interest; however, only those potentially suitable for the position will be contacted. Please refer to the job position for which you are applying in the subject line of all correspondence.
